Fisheries, Aquaculture
and Rural Development

Coastal Zone
Canada 2010

July 25 - 29, 2010

Coastal Zone Canada Association

The CZCA is a nationally incorporated non-profit society of coastal zone management professionals and others interested in and supportive of Integrated Coastal Zone Management goals in Canada and abroad.

It was incorporated in 1993 with the objective of sponsoring ICZM conferences and otherwise promoting improvements in ICZM practices

Conferences are held every two years, on the even year.

Conference History...

- First CZC conference held in Halifax 1994
- Rimouski, QC, 1996
- Victoria, BC, 1998
- Saint John, NB, 2000
- Hamilton, ON, 2002
- St. John's, Nfld, 2004
- Tuktoyaktuk, NT, 2006
- Vancouver, BC, 2008

Our Theme for 2010

**Healthy Oceans -
Strong Coastal Communities**

Program Continued

- Thursday, July 29 will be reserved for the review of the Conference and Call to Action
- Need to choose the concurrent sub-themes to write the call for papers
- Call for papers should be ready by the end of May 2009

Budget

- The budget will be finalized at the next local organizing committee meeting on May 29.
- Once the budget is finalized, registration for the conference will be open.
- The sponsorship package is developed and ready to be circulated.

Fisheries, Aquaculture
and Rural Development

Youth Forum

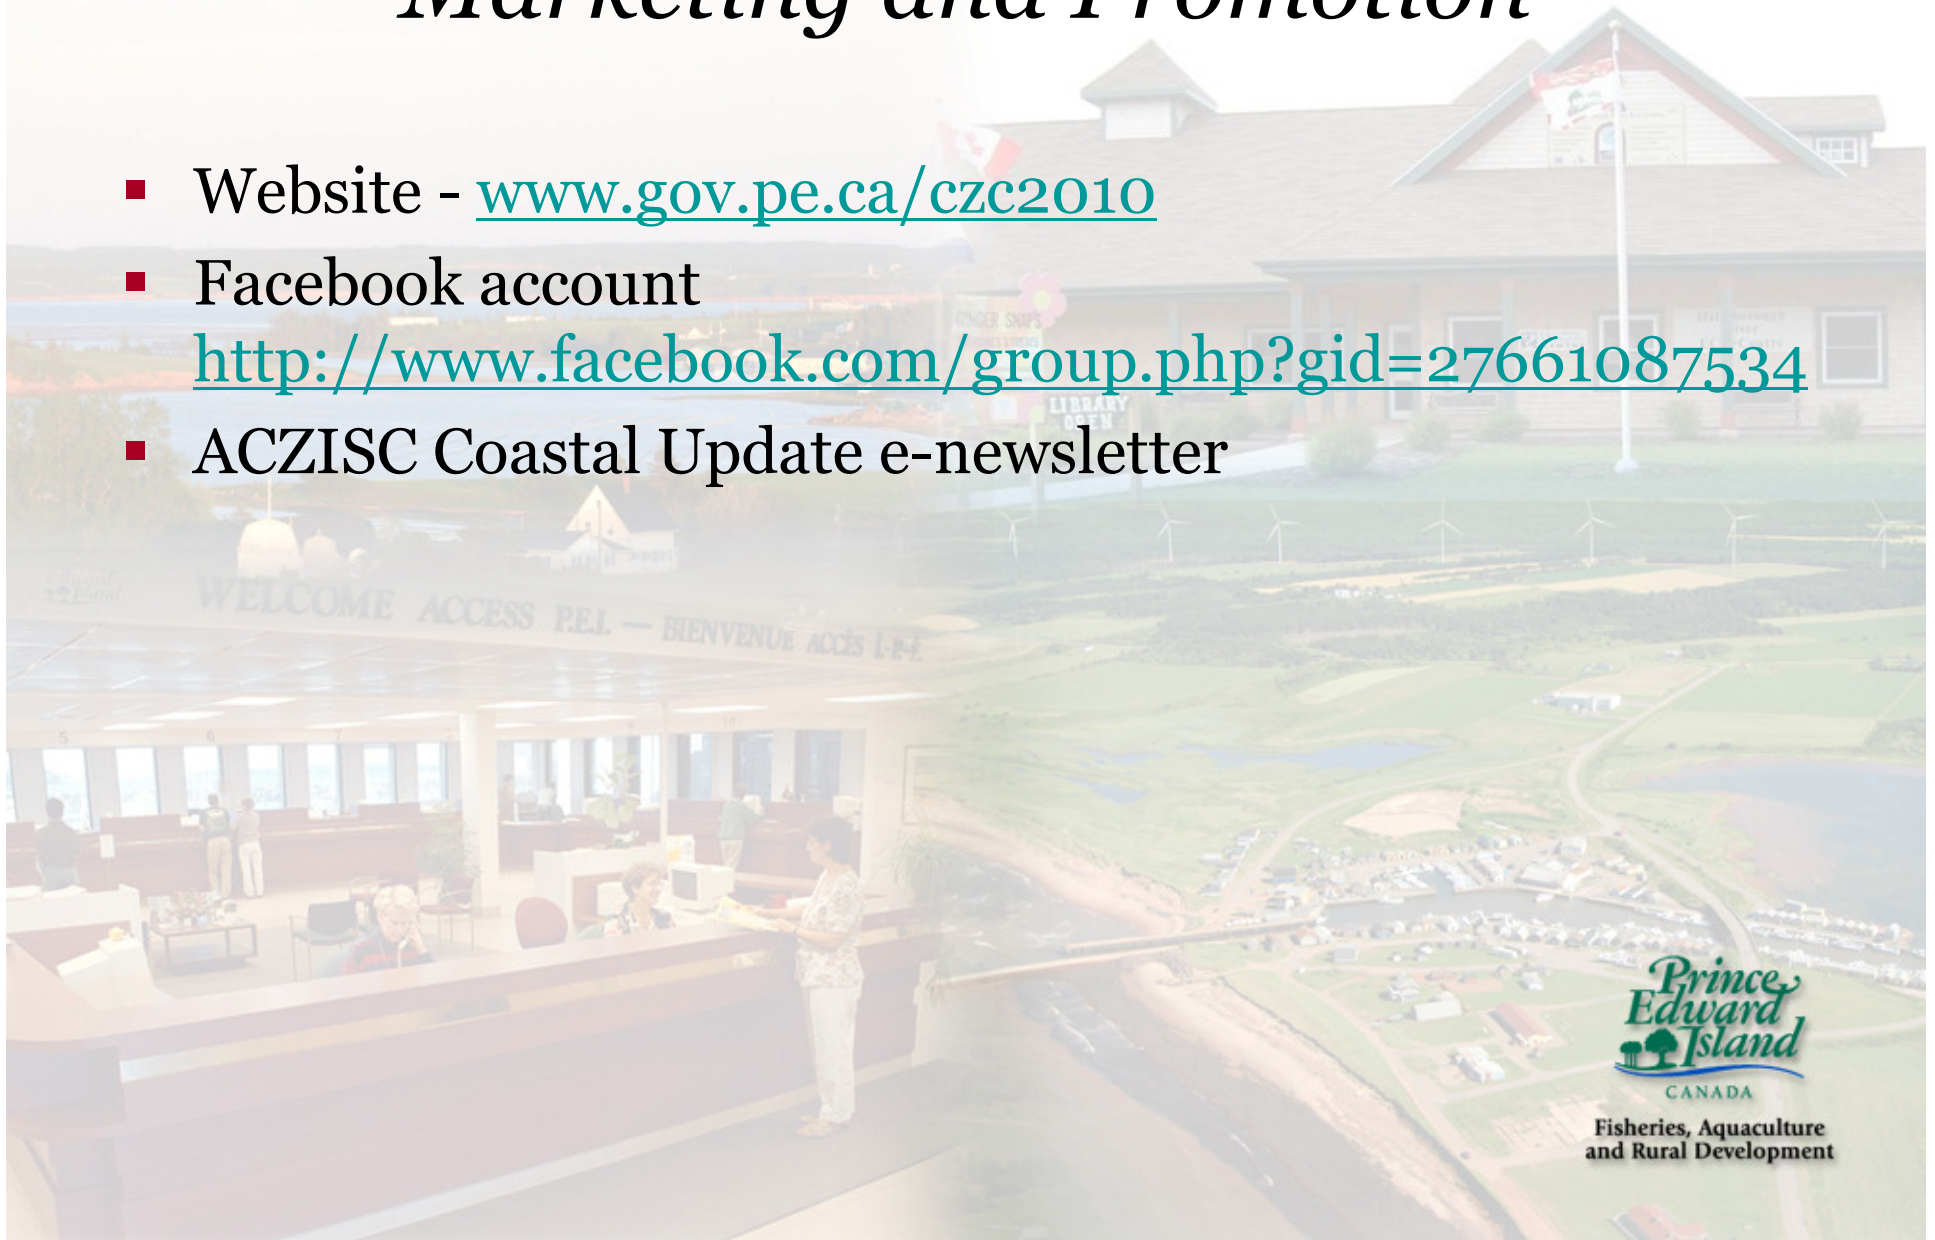

- Institute of Island Studies will organize and deliver the Forum
- Organizing committee has been formed and a few meetings have occurred....planning is well underway
- Aim to attract 50 youth from across Canada
- Focus will be on why so many youth are leaving coastal/rural communities
- Short videos will be taken to capture the discussions and shown throughout the main Conference
